A MESSAGE FROM THE CHAIRMAN

GOOD afternoon and welcome to the Manchester Regional Athletics Arena which, due to extended pitch work at Bower Fold, represents yet another "home" ground for us.

I would like to thank Phil Fitton, Chairman of Manchester Rangers and Sarah Holland and her staff for their help in getting the fixture on. Let's hope it's a lucky venue for us.

After our last match at London it is important that we get back to winning ways today in what both teams will see

as a key game. After the heights of last season Batley have struggled to match that form so far this year but from when we played them at their ground earlier this season we know only too well how good a side they can be.

We are entering an important phase of the season in our next three games and if we can show the kind of form we expect then we can go a long way to pushing on in the division. We know only too well, however, that no teams roll over in the Championship and we must strive to find a level of consistency that has, so far, eluded us.

Having said that, we are ahead of where we were at this point last season and, while we're not content with that, it does underline what I said earlier; we can put ourselves into a position where we are looking up the table rather than down it.

With more home matches than away matches to come between now and the end of the season we can look to try and build on our current position and really cement ourselves in the Championship.

Everybody has had a few days off with no game last week and we have been able to let the players and staff have a break from each other and recharge their batteries. The Championship is relentless and we will all feel the benefits from the break.

Next Saturday we go to Blackpool for the Summer Bash derby clash against local rivals Rochdale, a game that gives us the opportunity to showcase ourselves live on TV. I'm hoping for a less dramatic match than last season for obvious reasons.

As always your support for the team has been first class and hopefully today, and next week at Blackpool, will be no different.

Get behind the lads as we try to get another two important league points.

Enjoy the game,

Christopher Hamilton
Chairman

Football Club

TOUCHLINE TOPICS

BY SCOTT NAYLOR

HELLO everyone and welcome to today's game against Batley Bulldogs.

The biggest difference between this 'home' game and all the others is the venue, obviously, and the fact that we are giving up home advantage at Bower Fold so that repairs can continue at Stalybridge, which will enable us to play on a quality surface in our remaining home games.

Our opponents today come to us with a mixed bag of results this season which, unfortunately, is much like ourselves.

I assume that 'consistency' is not a word used much in this campaign by players or fans of either club.

Although we are in a better position in the KP Championship table than we were in at this time last year, we've had a frustrating time game to game, especially when you look at our performances on away grounds against the so-called big teams.

Even though we have taken points off every team around us in the league, and we lost at Halifax by only two points, I feel this season could have

been so much better in terms of points won.

Our level of consistency could also have been much better week by week, no matter who we were playing and whether we were home or away.

If, in the remainder of our league games, we can introduce consistency into our game we will be in great shape going into the play-offs and, hopefully, we can be pushing for a mid-table finish which would be a much-improved situation compared with how we fared last year,

The players are giving everything they can in training and they are desperate to do well for the fans as are we, the coaching staff.

Together, we can start the second half of our league matches confident and in positive mood, determined that we will finish this season showing a marked improvement on last year and further realising our aim to improve the club, and its results, year on year.

Many thanks for all your support,

Scott

TLH AUCTIONEERS OF CHADDERTON

THE LATEST ADDITION TO OUR SPONSORSHIP PORTFOLIO

In an agreement for the rest of this season, TLH will be main sponsors of a one-off Summer Bash playing kit which will be worn only once in our televised clash with Rochdale at Bloomfield Road, Blackpool next Saturday, May 27 (2.30pm)

TLH Auctioneers will also feature, for the rest of the season, on kit worn by our head trainer, doctor, water carriers, ball boys and physiotherapists as well as on our players' warm-up tops.

Said club chairman Chris Hamilton: "We are delighted to get a new sponsor on board and one with such a high profile as TLH Auctioneers.

"We are pleased to secure a deal and we are looking forward to working with TLH and to having their name associated with the club."

Hazel Slater, office manager for TLH Auctioneers, Westwood Industrial Estate, Arkwright St, Chadderton OL9 9LZ said: "I'm practically 100 per cent sure the agreement will continue for next season and beyond.

"We are excited about this new partnership because we like to get involved with the local community and this is our latest move in that direction.

"People get a wrong idea about auctions and auctioneers. We're an international company with dealings from all around the world

and a data base of more than 60,000 registered customers."

The shirts, each signed by the player who wears them, will be worn at Summer Bash and then go up for auction with money raised split between the Oldham RLFC Community Trust and Maggie's Oldham, the cancer support centre that will open next month at the Royal Oldham Hospital.

TLH say they are 'the North-West's best-kept secret'. They have live auctions at Arkwright Street every Tuesday and Saturday, starting at 10am, and one on-line auction every day.

Facilities include a five-star rated cafe which was refurbished a few months ago.

Added Hazel: "We've been going for 20 years, but in the last four years we've developed at an amazing rate and launched a sister branch in Liverpool. Major High Street department stores use us to dispose of surplus stock etc.

"We support local community causes with charity events at Easter and Christmas and we back the dance troupe, Fierce Dance, on a regular basis."

PARTNERS . . . Hazel Slater and Chris Hamilton launch the new sponsorship.

'Superdraw 2017' will support Oldham RLFC Community Trust and Maggie's cancer support centre, to open on June 9 at the Royal Oldham Hospital.

To recognise our 20th anniversary, the club has donated its 2017 main kit sponsorship to Maggie's to raise awareness.

marvellous support for the community." Laura Tomlinson of Maggie's added: "We'll do a few events for the community during the week beginning June 12."

The Stoller Charitable Trust has fully funded the building of the centre, but the running of it relies solely on voluntary donations and fundraising.

OUR VISITORS - BATLEY BULLDOGS

One point separates Oldham and our visitors from West Yorkshire.

The importance of a win for either side will not be lost on respective coaches Scott Naylor and Matt Diskin.

Diskin, a replacement for the Wakefield-bound coach John Kear, knew he was taking over at a club confident of their Championship credentials. Batley finished a creditable third in the 2016 season and therefore qualified for a place in the middle-eights and a dream of achieving a Super League place for 2017. The Bulldogs managed one win out of seven games, against Championship rivals Featherstone Rovers who were to finish pointless in the end-of-season competition.

The close season saw new recruits such as Joel Farrell (Dewsbury), Macauley Hallett (Swinton) and Dane Manning (Halifax) arrive at the club. Going in the

opposite direction were Keegan Hirst who followed Kear to Wakefield whilst Chris Ulugia joined Featherstone Rovers.

Batley's 2017 season began in earnest, literally, at the Ernest Argeles stadium in Blagnac as they provided the opening day's opposition to new boys Toulouse Olympique. The game was lost to the French team but revenge was gained in Round 4 of the Ladbrokes Challenge Cup where a second trip across the channel rewarded Batley with a 34-16 victory.

Five wins have come from Batley's league campaign so far this season. Home victories over Halifax, Swinton, Rochdale and the Roughyeds show how tough it is for any team to visit the Fox's Biscuits Stadium. Away trips have not been so rewarding however and only a solitary win against Sheffield Eagles is recorded in the away W column.

Today's game is the last before this year's Summer Bash in Blackpool. The Bulldogs will travel to the seaside town to face arch rivals Dewsbury Rams on the Sunday. Avoiding a hat-trick of defeats against their close neighbours will be a top priority, having already been beaten in both league and cup this season at Dewsbury's Tetley's Stadium.

Batley are currently winless since April 9 and have lost four games in succession. Oldham will be keen to put right the heavy loss in the capital two weeks ago. A good old fashioned four pointer to look forward to then in the shadows of the huge Etihad Stadium. We should be in for an exciting afternoon's rugby.

THREE TO WATCH - BATLEY BULLDOGS

Sam Smeaton

A 28yr old centre who began his professional career with Featherstone Rovers. Smeaton spent five seasons at Rovers and played 88 games, scoring 38 tries. He moved to Sheffield Eagles in 2015 where he spent one season before turning down a full time contract in 2016, preferring to remain part-time. Enjoyed spells with Halifax and a loan period with York City Knights before joining Batley.

Dom Brambani

Bradford born half-back with a great deal of experience. Brambani has played for Castleford Tigers, Halifax, Dewsbury Rams and two stints with Sheffield Eagles.

Played for Hinterland Storm in Australia's Gold Coast Bycroft Cup League. A prolific point scorer with both tries and goals.

James Davey

A hooker who started his professional career with Wakefield in Super League.

Moved on to Sheffield Eagles where he made 93 appearances between 2012 and 2015 before joining John Kear at Batley. At 26 years old is in the peak of his career and is a dangerous player for the Bulldogs.

GET YOUR SUMMER BASH TICKETS FROM ROUGHYEDS AND YOU'LL BE SUPPORTING YOUR CLUB FINANCIALLY AS WELL AS IN PERSON

TODAY'S game and the next two -- versus Rochdale and Swinton -- represent three of the most important clashes of the season, given that Batley and our two derby rivals are close to us in the Championship table.

We hope to take a large following to Blackpool next Saturday, May 27 for our clash with Hornets (2.30) in Summer Bash. There are three more games on the same day, making tickets terrific value for money.

The more tickets we sell the better we do financially so it helps YOUR club if you get your tickets from us.

Season-ticket holders go free. Saturday tickets for everybody else (four games) cost £20 or £30 (adults) and £10 or £15 (concessions).

To get your tickets ring Roughyeds on 07904 898177 between 9.30am and 1.30pm on Monday, Tuesday and Wednesday next week and between 9.30am and 3.30pm on Friday.

But hurry, tickets are selling well and time is running out.

The players will wear, for this match only, shirts sponsored by TLH Auctioneers of Chadderton --- the latest addition to our sponsorship portfolio.
