OLDHAM ROUGHYEDS

FROM THE BOARDROOM

Today we welcome our neighbours from Oldham, and to all their players, supporters and officials we hope you have an enjoyable afternoon.

A big welcome also to all you Lions supporters, and we hope that our relocation nearer to Swinton meets with your approval. Our friends here at Sedgley Park have been very accommodating and it's great to renew old acquaintances.

Hopefully the efforts of your new administration over the past few months will not have gone unnoticed. John Duffy has assembled an excellent squad, all of whom are very much our own players. After careful discussion with John we decided that the way forward for our club was not through dual-registration. And judging by the tremendous attitude that we've seen in pre-season from all the lads, we already feel that the decision to go alone has been vindicated. John has revolutionised our training and general preparation, and we hope that this now translates into a successful season on the pitch.

Our commercial operations have also been completely revamped, as has our community work. We've recently launched our own Business Academy, and Lions TV is already proving a hit. We've got a brand new website, an ever growing band of Twitter followers, and we've sold more Season Tickets and replica shirts than the club has done for many years.

However, our ambitions don't come cheap, and whilst we're pleased with our Season Ticket sales we desperately need more people through the gate. If each one of you pledges to bring just one friend to our next home game, which is surely not impossible, then of course our gates would double overnight.

Please would you also support our pre-match Lunch and Crunch deals here in the Lions Suite. I'm sure that our new MC, Mr John Spellman, will keep you suitably entertained!

Finally, note that our next club function, the first of many, is the Official Kit Launch at Swinton British Legion on Thursday 26 February from 7.30pm. John Duffy, the coaching staff, and all the players will be there. Admission is free. Pre-ordered replica kits will be available on the night.

Enjoy the game, and don't forget to subscribe to Lions TV!

Steve Wild

MATCH DAY CORPORATE PACKAGES

During 2015 the Lions are offering a variety of corporate opportunities with packages available for match, match ball and champagne moment sponsorship. For further details please see the club website or contact abbi.rodny@swintonlionsrlfc.com or call Abbi on 07774 921 947

OUR VISITORS - OLDHAM

This afternoon we entertain Oldham in our second of three pre-season matches, and our single home fixture before entering League 1 Cup action. We extend a warm welcome to all Roughyeds players, officials and supporters as we return to Park Lane for 2015, a venue which served as our home for many years, and hosted two matches last season.

Oldham are sure to be a force in League 1 during the coming season, having narrowly missed out on promotion in 2014 when beaten by Hunslet in extra time during the Championship 1 final at Headingley.

Oldham will be without influential club captain Lewis Palfrey this afternoon as he was due to undergo hernia surgery in the past week, however he is hopeful of a return to the side in time for the start of the league campaign in April.

Oldham have recruited well in the off season, and have opened a new partnership with Huddersfield Giants which is sure to provide valuable support of the kind enjoyed by ourselves under our previous dual registration arrangement.

Oldham assistant Coach Lee Spencer will be well known to many at Swinton from his days coaching within the Folly Lane amateur club, having first worked with Head Coach Scott Naylor at Salford. He has been a key part of the backroom staff at Whitebank for the past two seasons.

SEASON TICKETS AVAILABLE FOR COLLECTION

Season tickets are available for collection this afternoon. Please visit Abbi Roddy in the main bar at halftime today, or on Sunday 1st March at the Hemel game. They can also be collected at the Chorley Road office from 2nd February.

KIT LAUNCH NIGHT

The club's official kit launch will take place at Swinton British Legion on Thursday 26 February, from 7.30pm, with admission free and all welcome.

All the players will be in attendance along with the coaching staff, and replica jerseys which have been pre ordered will be available for collection on the evening.

The evening will provide a great photo opportunity for sponsors with their chosen player, and a chance for supporters to meet the squad.
