It was with profound regret that we learned on Wednesday morning of the sudden death of His Majesty King George VI. All followers of the Rugby League game will join in their sympathy to the bereaved Royal family in their great loss. His late Majesty was Patron of the Rugby Football League and had attended the Wembley Cup Final to present the trophy and medals.

### CLUB NOTES

#### HULL v. OLDHAM, 9th February, 1952

Before the Kick-Off at to-day's match, one minutes silence will be observed in tribute to the memory of His Majesty the King.

To-day, we start on the Wembley trail, and welcome our Oldham visitors to the Boulevard.

Our opponents are recognised as a strong combination and their record shows them to be powerful at home, where they have won 12 out of 14 League games and drawn one, so far this season, while away from home they have won 3 and lost 9 games. Their scoring record shows 348 points on the credit side, against 258 by opponents.

## NOTES—continued

### The Bradford Match

We would like to thank all supporters who came to lend a hand before the Bradford game in what proved a successful effort to have the ground fit for play. Frankly, at one time, it looked as if the icy conditions would beat us, but great efforts were made and everything turned out alright.

At the same time, it is only fitting that we should apologise for any inconvenience caused to spectators due to the late opening of the gates—but had we opened the turnstiles and then the game had been called off, it will be appreciated that the result would have been chaotic.

The game itself gave supporters something to shout about, and the performance of stopping the Bradford Northern 17 match unbeaten spell was indeed a meritorious one and our players deserve every congratulation.

Equally gratifying was the enthusiasm of the 20,000 crowd—a few more "gates" like this and the Club will be well on the way to regaining its rightful place among the elite in the R.L. world. Let's face it—we can't expect to do this unless the cash is coming in! So rally round, Humberside Rugby Leaguers, and get behind the lads who are doing so well!

### Lucky Programme

Last week's winner was Mr. F. G. Palmer of Bricknell Avenue—if YOU hold the programme bearing the number announced at half-time, come to the Secretary's office at the end of the game and claim your two free Stand Tickets for the next home game.

### Club Flag

The best thanks of the Club are extended to the small band of supporters who kindly presented the new Flag which is now flying at the end of the New Stand.

### Refreshment Room

A Refreshment Room is open underneath the New Stand for the service of patrons. If this proves to be successful, it may be possible to extend the service in the near future.
