## CLUB CHAT

Because of the holiday period, these notes are being compiled in advance but studying the play of our match against Leigh, did we see the sign of the recent staleness disappear? This malady had inflicted on us a period of anxiety which is not yet allayed and only the Easter matches can give us that hope, which at one time was so strong, of appearing in the "first four."

Then of course there is the Yorkshire League Championship which may very well have been decided yesterday. Winning of the Yorkshire League would, under the present bye-laws, be one of mixed blessing for whilst the County Champions would have the pleasure of entertaining ALL the Lancashire clubs next season, the return engagements would mean heavy additional travelling and more expense for both the club and our away supporters.

Clubs in Lancashire can be deemed lucky for they get the best Yorkshire club season by season playing in the Lancashire League. That, of course, will not stop our boys striving their utmost to secure a County Championship medal.

Young Alan Preece was very unfortunate to be injured in his first match at off-half so soon after the kick-off, but we must

### CLUB CHAT—continued

congratulate Billy Walker in taking over in that position and making it a success.

It was good to hear the old Hunslet roar of encouragement when our boys were storming away at their opponents. Let us hear it again today and if possible, multiplied.

The League Management Committee have decreed that all matches having a bearing on the top four places must be played not later than April 24th, so we must wait and see how we stand after the matches on Monday, for if we then are possible contestants, our match at Dewsbury scheduled for April 27th will have to be played on Wednesday, April 24th with an evening kick-off. Should such alteration be made, please watch your local press for the announcement.

We are pleased to welcome our visitors today from Oldham, who throughout the season have been consistent in leading the way at the head of the table. When we were at Oldham in January, those who were there were amazed at the football served by both teams in atrocious conditions and though we lost, the margin was so small that victory could have gone either way. Let us hope we see the same brand of football today.
